

1. Login to NTMP portal <https://ntmp.gov.sa>

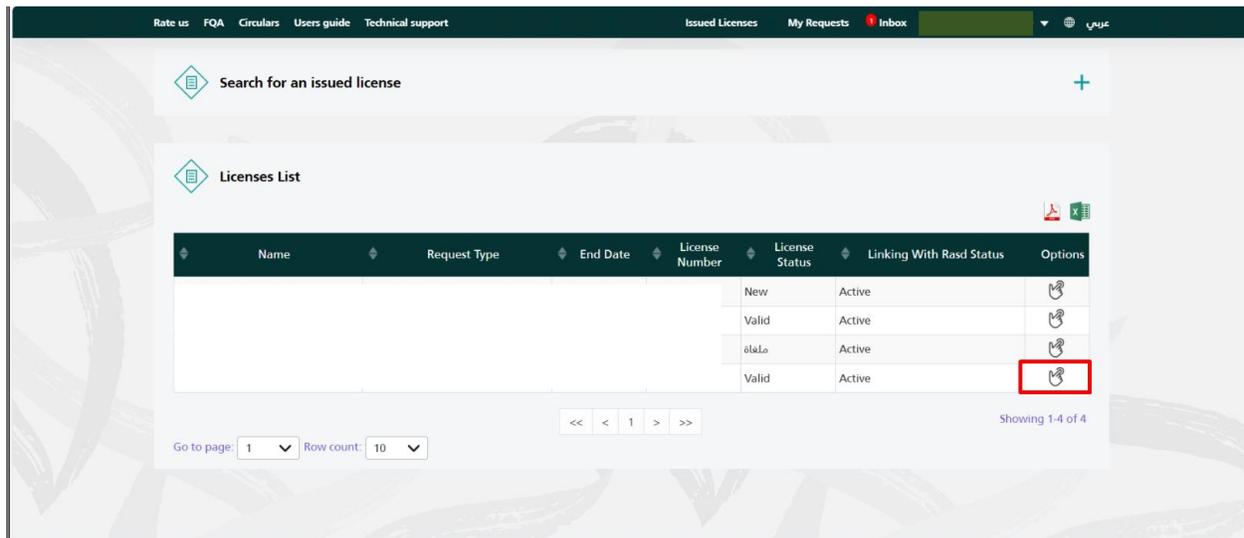

2. Upon login, select My Profile > Issued Licenses.

3. Select Tourism facilities licenses from Issued licenses.

4. Choose options from the active licenses list.

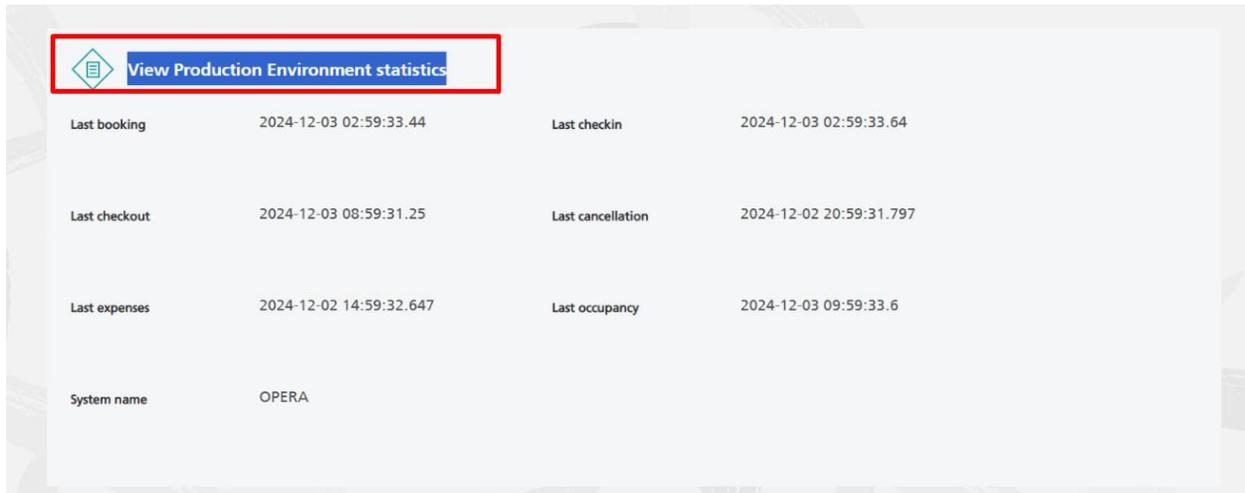

5. Select “Manage Linking with Rasd Platform” from Options.

The screenshot shows the 'Licenses List' section of a web application. At the top, there is a search bar for issued licenses. Below it is a table with the following columns: Name, Request Type, End Date, License Number, License Status, Linking With Rasd Status, and Options. The table contains four rows of data. The first row has a 'New' license status, and the others are 'Valid'. The 'Options' column for the first row is expanded, showing a dropdown menu with the following items: 'Manage Linking with Rasd Platform' (highlighted with a red box), 'Details', 'Download License', 'Download Classification License', and 'Renew'. Below the table, there are pagination controls for 'Go to page' (set to 1) and 'Row count' (set to 10).

6. The “View Production Environment Information” section displays the API details used to connect Opera with the Rasd platform.

The screenshot shows the 'View Production Environment Information' section of a web application. At the top, there is a 'Select System' section with a dropdown menu for 'System Name*' set to 'Opera' and a 'Save' button. Below this, the 'View Production Environment Information' section is highlighted with a red box. It contains a form with the following fields: 'API key' (masked with asterisks), 'Password' (masked with asterisks), 'Activation Date' (26/01/1446 19:09 PM), 'Link' (https://api.ntmp.gov.sa), 'Username' (empty text box), and 'Activated By' (empty text box).

7. Below the View production environment Information section, you will find the “View Production Environment Statistics”. This provides details on the last uploaded data from Opera to the Rasd platform.
